Principal’s Message

Glenroi Heights Public School is very fortunate to have the Australian Mobile Dental Care van visiting our school in a couple of weeks. Notes went home yesterday. Please have these back at school by Thursday so they can be collected by the Dental Group. Every G.H.P.S student is entitled to free dental checks and dental work.

Next week every year 3 and year 5 student in Australia will complete the NAPLAN assessments. It is important that every year 3 and year 5 student is at school next week. These assessments inform the government bodies of the need for resources and also show you and us the growth students make in their learning.

The Djuki Aboriginal dance Group is coming to Orange. Our students will have the opportunity to see this group at the theatre free of charge on the 22nd May. If you would like to have a preview, Google the ‘Chooky Dancers’ or the ‘Djuki dancers’ and have a look. They are fantastic. Notes will go home next week.

Our Cross Country is this Thursday at 2pm at school. Let’s hope the weather improves. Parents are welcome to come along and cheer the children on. All children from Kindergarten to Year 6 will be running various distances.

Our Netball girls play in a netball Round Robin on Friday at the PCYC. Good luck girls.

Have a great week,
Jane
