Glenroi Heights Public School
Newsletter Term 3  Week 2

Principal’s Message

This week we welcome Ms Kellie Scurrah to our staff as our Year 4 teacher. I know you will all make her feel welcome and many of you with children in Year 4 will come and meet her when you are at school.

Next week is Education Week across N.S.W. Glenroi Heights Public School will have an open day on Monday 28th June. Keep your eyes out for your information. There will be a special award assembly and barbeque lunch.

With many thanks to the gardeners from the Eco Orange group some of our school garden produce is being used by The Agrestic grocer in Orange. It is wonderful to see the produce from our school garden used across the community. Already the sale of our artichokes has raised $100 for our school needs.

It is time to enrol for kindergarten 2015. If you have a child beginning school next year or know other families who do, please let everyone know. To staff kindergarten properly in 2015 I need to know who is coming. I need your help in collecting these names.

Have a great week.

**Athletics Carnival**

Years 2 to 6 competed in the athletics carnival yesterday. The boys and girls participated in a range of track, field and novelty events. There was lots of cheering and supporting from the spectators as all children tried their best. The results are still being finalised and will be published in next week's newsletter. Students who have done exceptionally well, will go on to represent Glenroi Heights at the Orange District athletics carnival in a couple of weeks.
