Dear Families
It was wonderful to see so many families celebrating Education Week with us last Monday. The children really enjoyed sharing their learning with you.

On Thursday Miss Simpson and Donna will be taking the boys and girls Touch Football team to Millthorpe for the first round of the PSSA Knockout competition. We wish both teams well.

Year 6 have been fortunate to have Charles Sturt University staff visit them at school. This program called “Future Moves” which encourages our year 6 students to consider their options for the future as well as familiarising them with the staff at our local university. In late August these students will be visiting the university. How lucky are they?

Have a lovely week everybody. Remember our children are At school, On time, In class, Every day to be learners.
