Dear Parents and Caregivers,

Congratulations to everyone involved with Dream Cricket last week. Our students had a wonderful fun day and learnt some new cricket skills.

Yesterday morning I had 3 students from 2/1M show me their writing. It was excellent. Well done Shonny, Nylinda and Talisha. I hope to see lots more excellent work from classroom learning this week.

Next week David Spillman and Scott Gorringe who work with Aboriginal Communities across Australia will be working with Glenroi Heights Public School. All staff will be involved in after school training with them. The students will work with Spilly and Scotty during the day. The focus will be around resilient learners. If you would like to work with us please call 6362 7191.

It is nearly swimming time. Please keep a look out for notes. The swimming program will be for students in 2, 3 and 4. Glenroi Heights Public school will cover the bus travel costs but you will need to cover pool entry costs.

Every day at Glenroi Heights Public School we focus on every child learning. If you have any problems please come and see me. Little issues can be solved before they become big problems.

This Friday is ‘Walk to Work Day’. 'People who walk before or during work are generally healthier, more productive and less likely to be sick or absent. It’s in the best interests of all individuals and organisations to build walking into their daily routine and support the Walk to Work program’. I will be walking to work and hope you take the opportunity to do the same.

Have a great week.

Jane Cameron
**Transition to Kindergarten**

Our Transition to Kindergarten program has begun this term. All children starting school in 2016 are able to attend a half-day session on a Thursday or Friday from 9am to 3pm where they will make friends, develop their Literacy and Numeracy skills and become more familiar with the school environment. Please contact the school office to enrol your child.

**ATTENTION ALL MEN**

Glenroi Heights Public School has a brand new shed and is running a ‘Men’s Shed’ group every Tuesday at 12.30pm.

Men from the community are welcome to come and have a yarn and get involved in various projects within the school.

For more information or if you are interested come in and have a chat to Dylan.

Look how awesome Jay-De and Jessie are in the new school sunglasses and hat. Both are available in the office for $10 each.

Sunglasses come with a case that clips on to children’s school bag and a spot to write their name.
Head Lice Alert

Please carefully check your child’s hair tonight. The easiest and most effective way to find head lice are to follow these weekly steps.

Step 1: Comb hair conditioner on the dry, brushed (detangled) hair. This makes it difficult for lice to grip the hair or run around.

Step 2: Wipe the conditioner from the comb onto paper towel or tissue.

Step 3: Look on the tissue and on the comb for lice and eggs.

Step 4: Repeat the combing for every part of the head at least four or five times.

Step 5: If lice or eggs are found, the person should be treated.
We have two playgroups a week where the focus is on having fun with other families. Bring your child in for fun craft activities, sing and dance and have morning tea with other families. (Don’t forget to bring a piece of fruit for Cheeky Monkey’s on Friday). Parents and carers come and enjoy morning tea and a nice warm cuppa!
