Welcome to Glenroi Heights Public School for our 2015 school year. We have a busy year planned with many opportunities for every student and their families. We welcome our new families.

If you have questions or queries please come and see me, your child’s teacher or our stage Assistant Principal. My number is 6362 7191 or 0406 272 104. If you have a problem, please remember they can be solved when we all work together.

Today your children will be placed into their probable classes. Some students may be moved in the next week as our classes are reviewed and we see how many students we have across the school. We welcome some new staff this year and I know you will be pleased with their expertise. Next week’s newsletter will have every teacher and their role printed for your information.

Our School hours are 9am – 3pm. I expect every child at school, every day to learn well (unless sick). This year our school gates will be opened at 8.30am. (not before) In 2014 we had a number of students arriving from 7am. This is not safe and students are not supervised. Please note the gate opening time is 8.30am.

Next Monday is our school swimming carnival for years 3-6. We will be at the pool from 12.30pm. Notes will go home today. Every child is expected to attend. We have fun, safe activities for non-swimmers. We invite all our families to come and enjoy the afternoon.

Welcome and have a great week.

YELLOW student information cards will be going home today with the children. It is very important that you fill the cards in and return them as soon as possible. We need to keep current information for your child on file so that teachers and administration staff are able to contact you in case there is an emergency.
