Welcome back to Term 2 and beginning of our cooler weather term. I would like to make special welcome to our new students and their families. Please come and visit if you have any concerns or questions.

Yesterday the whole staff had a day of professional learning. Rachel and her group of kitchen helpers catered for lunch. Congratulations to everyone who helped, you all did a wonderful job.

This Thursday is our school photo day. Please have every student in their school uniform for the day. We look forward to welcoming Cliff Dykes and his team back to Glenroi.

On Thursday we have our school Anzac service. Please join us in the hall at 2pm to celebrate 100 years since landing at Gallipoli. This Saturday is Anzac Day and Glenroi Heights will all march as a school. Please meet in Sale Street, near Newy’s drycleaners at 10.15am in full uniform. Please join us to celebrate 100 years.

Have a great week

DO YOU WANT A FREE COMPUTER?

Have you been asked if you want to get a free computer by people knocking on your door? They are offering a free computer if you sign up to do a course. What they do not tell you is that if you sign up you also sign up to a debt of up to $20,000. If this has happened to you please contact Rachel Livingstone, Schools as Community Centres Facilitator at Glenroi Heights Public School, on 0401 004 092.

The department of Fair Trading will be coming to Orange to talk to people that have signed up for a free computer. Please call Rachel Livingstone if you would like to talk to them.
