We have been very lucky with the weather for both our Cross Country and Athletics carnival. Both activities have been run by staff and they have done a wonderful job. Our runners and athletes will now be training for the district events.

Please come to our Yarn Up tomorrow at 9.15am in Our Place. I need your input in keeping all our children safe at G.H.P.S. Come along and have your say.

Next week is the Australia wide assessment of every child in Year 3 and Year 5. This is called NAPLAN. Tuesday, Wednesday and Thursday next week could you please make sure that your child is at school on time to complete their NAPLAN. We thank Ms Esterbauer for preparing our Year 3 and Year 5 students to do their best.

Have a great week

DID YOU GET A FREE COMPUTER?

Department of Fair Trading from Sydney were in Orange last week to talk to people who had signed up for a ‘free computer’. They would like to hear from anyone else that signed up for a ‘free computer’ as you probably also signed up to a debt of $20,000 or more as well. Please contact Rachel Livingstone on 0401 004 092 ASAP.

DO YOU WANT A FREE COMPUTER?

Have you been asked if you want to get a free computer by people knocking on your door? They are offering a free computer if you sign up to do a course. What they do not tell you is that if you sign up you also sign up to a debt of up to $20,000. If this has happened to you please contact Rachel Livingstone, Schools as Community Centres Facilitator at Glenroi Heights Public School, on 0401 004 092.
