Dear Parents and Caregivers,

This is week 5 of Term 2. This week every teacher will be placing your child’s learning on our literacy and numeracy continuum. You are always welcome to talk to your child’s teacher about their learning.

Today we had a ‘Yarn up’ about the possibility of a ‘Breaky Club’ at Glenroi Heights Public School. A number of parents are currently learning food handling skills to manage this under the guidance of Verto. This will be led by Victoria Barden.

I am still very concerned about a small group of children who are violent within the school setting. Under the suspension guidelines I will need to suspend these children. Please remember that every student is entitled to learn and be safe at school. Congratulations to the majority of our students who are Respectful, Responsible, Co-Operative and Safe. As well as every parent who expects their child/children to be learners at school.

On Thursday our leaders will travel to Bathurst with Ms Jeffriess to attend a leadership training day with other schools. Enjoy your day.

On Friday a large team of cross country runners will travel to Molong to compete. Good luck to all these children.

Have a great week

Jane Cameron

EAT!
I am so hungry.
Where is my food?
I do not want to be in a bad mood.
I can smell it, I can see it in the tin.
Where is my food?
Do not put it in the bin.
It is beans, my favourite.
I am going to eat it all up.
