Dear Parents and Caregivers,

Congratulations to our Cross Country team who travelled to Molong last Friday. Thank you to Mr Hamling, Ms Davis and Dylan who managed our team.

We are very proud of two of our School Leaders. Both boys are Meals on Wheels 'Volunteers of the Month'. The boys were nominated by locals for their friendly and talkative delivery of meals. Our six School Leaders are regular Meals on Wheels volunteers as part of our Community Service.

All 6 of our School Leaders had an enjoyable day in Bathurst last week for the School Leadership training day. Thank you to Ms Jeffriess for organising and transporting the children to Bathurst.

This week Ms Esterbauer, Mr Hamling and Dylan are in Wagga participating in the Stronger Smarted Leadership Program. We thank them for being away from their families for the week to participate in this training.

We have the Public Schools NSW Behaviour Code for Students included in this newsletter for your information. Thank you to the majority of students who follow this code.

Have a great week

Jane Cameron
This week we get a glimpse of the artistic talent that is being explored in 3/KWB. What creative young learners we have!
Cross Country

Last Friday a group of runners travelled to Molong to compete in District Cross Country. It wasn’t the nicest day, but all of our students were keen to join in. Congratulations to Kaiden Jones who placed 10th in his event.

**BEHAVIOUR CODE FOR STUDENTS**

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

In NSW public schools students are expected to:

- Respect other students, their teachers and school staff and community members.
- Follow school and class rules and follow the directions of their teachers.
- Strive for the highest standards in learning.
- Respect all members of the school community and show courtesy to all students, teachers and community members.
- Resolve conflict respectfully, calmly and fairly.
- Comply with the school’s uniform policy or dress code.
- Attend school every day (unless legally excused).
- Respect all property.
- Not be violent or bring weapons, illegal drugs, alcohol or tobacco into our schools.
- Not bully, harass, intimidate or discriminate against anyone in our schools.

Schools take strong action in response to behaviour that is detrimental to self or others or to the achievement of high quality teaching and learning.
Early Intervention had an excursion to see The Wiggles it was very exciting. They all had a wonderful time.
Max the Platypus has come to spend some time with the students in 6/1F. They earned Max because their class attendance for this term was the best in the whole school, 96.3%.

Congratulations 6/1F.

Important Dates
